

Funny isn't it?

- Funny how £20.00 “looks” so big when you take it to the Masjid or Madrassa, but so small when you take it to the market.
- Funny how long it takes to do Zikr (remembrance of Allah) for an hour, but how quickly 90 minutes of football finishes.
- Funny how long a couple of hours spent at the Masjid are, but how short they are when watching a movie.
- Funny how we can't think of anything to say when we Pray, but don't have difficulty thinking of things to talk about to a friend.
- Funny how we get thrilled when a match game goes into extra time, but we complain when a Friday sermon is longer than the regular time.
- Funny how hard it is to read a one Parah in the Qur'an, but how easy it is to read 200-300 pages of a best selling novel.
- Funny how people want to get a front seat at any game or concert, but stay in the back row at Masjid so that they can scramble out fast.
- Funny how we need two weeks notice to fit a Masjid event into our schedule, but can adjust our schedule for other events at the last moment.
- Funny how hard it is for some to listen to a talk well enough to tell others, but how simple it is for the same people to repeat gossip.
- Funny how we can believe the newspapers, but question what the Qur'an says.
- Funny how everyone wants to go to Paradise, but don't want to work their way there.
- Funny how people are so consumed with what others think about them rather than what God thinks about them.
- Funny how we are so quick to take direction from a total stranger when we are lost, but are hesitant to take God's direction to be found.
- Funny how people want God to answer their Prayers, but refuse to listen to His counsel.
- Funny how we demand justice for others, but expect mercy from God.
- Funny how when something goes wrong, we cry, “Lord, why me?” but when something goes right, we think, “Hey, it must be me!”

FUNNY, ISN'T IT?
